## Patient Engagement Awareness DAY| April 4, 2019 | 11:00-12:00pm

Mar 26, 2019

Patient engagement has been gaining traction in recent years. However, what patient engagement really is, and more importantly, how clinics can engage patients beyond their own care can feel unclear.

Join **Anjana Sharma, MD MAS** as she goes over the past and current research on patient engagement and highlights practical, innovative ways in which clinics around the country are actively engaging with patients.

This webinar is geared towards medical directors, clinic leaders, practice managers, Quality Improvement specialists, and anybody who has an interest in learning more about engagement and how to get started.

Hosted by the American Academy of Family Physicians (AAFP) and American Osteopathic Board of Family Physicians (ACOFP), this webinar will take place on **Thursday, April 4<sup>th</sup>** from **11:00 AM to 12:00 PM PT**.
